

Ar Rasyid Sarifullah Gilbijatno

Frontend Developer

Kediri, Indonesia | Phone: 082264488976 | Email: arrasyidsarifullah@gmail.com

SUMMARY

Frontend developer but also have a passion for design. Given that producing a modern website requires the combination of design, server technology, and the layer that users interacts with. I believe having experience in both design and development allows for making the most optimal user experiences.
